## Red Nose Day - July 31

The iconic little red nose has always been a symbol – a symbol of hope. Hope for better treatments, preventative strategies and, one day, cures for our children who are living with heart-breaking, life-affecting health conditions. This is a fun way of creating awareness of the above mentioned health conditions and giving what we can to help. This year we are asking that if you decide to give, that it could be done online into the school bank account. We will send these details home later in July. Students and Staff can wear something red, wear a red nose, create something to wear with red noses?. This is meant to be fun and not something to stress about. Perhaps put your thinking hat on with some ideas.

**PTFA Meeting Tuesday 9th June** - 7pm in the school staffroom (a zoom link will be available if you can not physically attend). If you would like to be involved in helping with fundraising for school, we would love to have you join our meeting. The more people involved, the more we can spread the load.

We had booked our **Matariki breakfast** for the last day of this term. At this stage we are taking a wait and see approach; more information will come out to you in the coming weeks, once we know what restrictions will be in place due to Covid-19.

## Hockey update

We do not have enough children to have our own team, but there are vacancies in other schools teams. All those who showed interest have been contacted and advised of this outcome.

## **Board of Trustees Casual Vacancy Position filled**

*The board had resolved under section 105, Education Act 1989 to fill the vacancy by selection, which meant if 10% or more of eligible voters on the school roll asked the board to hold a by-election to fill the vacancy, then a by-election would be held. We did not reach this 10% threshold.*

*It is with appreciation we share that Sarah Beech-Pooley has agreed to be appointed in the casual vacancy position.*

*The next school election is in 2022 and I encourage you to stand for election at this time if you are interested.*

*John McElwee  
Board Chairperson*
