School Gala/Fair

November Saturday 21

From 10am-2pm

Volunteers Needed

It is only 4 hours and we are happy to work shifts if you can only give a portion of this time. Please let office Deb know if you can help asap.

We are happy to pick up anything you have to donate :) Items needed for the:

- ✂ **White Elephant Stall** - Good quality 2nd hand items and books.
- ✂ **2nd Hand Clothing** - This stall is a real winner for us - Clean 2nd hand items gratefully accepted
- ✂ **Mystery Jars** - A jar filled with treasure. In the past we have had, small toys, lollies, smellies, hair ties, marbles, cookie baking jars (all ingredients), nail polish, personal care jars and many more. There is still time to fill a jar, wrap it and drop it into the office.

Room 3's technology unit is making different flavoured fudge. If you are able to donate condensed milk, sugar or butter that would be much appreciated. These items can be dropped into Room 3 (Kereru block) or the office.

Ag Day is Thursday November 12.
Information page attached to this newsletter.

As a school we are participating in the **Switch to Water Challenge** for all of November. We are asking you to help by filling drink bottles with water and no sweet drinks please.

A huge thank you to

For supporting our school gala. Please support business's that support us.

Ag Day Format

Thursday November 12, 2020

We will all be into the full swing of preparing our indoor exhibits as well as getting calves and lambs ready for judging on Thursday, November 12. Classroom activities are listed below. These are all to be made at school on the morning of Ag Day. Children will need to have 'bits' to create their work.

Rooms 1, 2 (Mrs Newman, Mrs Thorpe)

- ◆ Mandala Sand Saucers
- ◆ Cupcake Animals

Children will need to bring, small flowers and decorative pieces for a sand saucer, plates provided. eg flowers, leaves, pebbles, twigs, shells, seeds etc. They will also need items to decorate their cupcakes (cupcakes and icing are provided). Each child will decorate 1 or 2 cupcakes with the same animal design. *We strongly recommend having a look, with your child, at ideas for their cupcakes before the day* - there are heaps of simple ideas online. Parents are welcome to come along on the morning and support us but please remember the creations need to be the children's own work.

Rooms 3, 4 and 5 (Mrs Dear, Mr Pollock, Mr Singer)

- ◆ Decorated cupcakes
- ◆ Miniature Garden

Children will need to bring items for their garden art creations, to be made at school on the morning. *We encourage you to have a look online with your child/ren to see some ideas for garden art creations.* Miniature gardens will need a large tray and some creative items to make your garden individual to you. They will also need items to decorate their cupcakes (cupcakes and icing are provided). Each child will decorate 1 or 2 cupcakes with the same animal design. *We strongly recommend having a look, with your child, at ideas for their cupcakes before the day.*

Any offers of cupcake making would be gratefully received. Please see your child's teacher if you are able to help provide these.

All parents, grandparents and family are welcome to come and have a look at the classrooms from 1.30pm onwards where scarecrow art, that has been made at school, will also be displayed.

We will update you on times for animal judging in next weeks newsletter.
