## Ag Day Garden Competition

If you are keen to grow a small garden to enter into the competition this year, please come and see Mrs Thorpe for the rules and details. You can grow either vegetables or flowers. There will be prizes for this competition!!!!

## Parent – Teacher Learning Conversations

These will be taking place tomorrow, **Thursday August 12th**.

You can make a time to speak with your child/ren's teacher via the Skool Loop app or through the office. Interviews are 10 minutes each. If you feel that you need more time, please talk with the teacher to arrange this for another day. All interviews will take place in the teachers classrooms. School will finish at 12.50pm.

All Mr Singers interview/conversations will take place when he is back at work. We will make contact with you when we have more details including reminding you of the times you have booked.

Chickenpox - We have a bit of an breakout of chickenpox at school (in the junior classes) at the moment.

Some symptoms of chickenpox are: tiredness, fever, general aches and pains. Then of course small red spots...

Chickenpox is very contagious and is easily spread through the air. Children will often require 5-10 days for recovery. ALL spots need to be crusted over before your child can return to school. At this stage, this is just in the junior block.

**School will finish at 12.50pm, tomorrow, Thursday August 12, 2021**

The bus will run at this time for our bus students.

### Fund raising help needed - School lunches

Our senior students are starting fundraising for their school camp by providing school lunches on Fridays. To make this happen, the team needs an adult to support the children with the preparation of the food on Friday's from about 11am-12.50pm.

If you can help with this please contact office Deb, as we are hoping to create a roster. You do not need to commit every week... just when you can. We are aiming to have the first school lunches next week.

A big thank you to the parents who helped with our 'Huia' block trip to Capital E last week.

We appreciate all your help with transport, safety, looking out for the children in your group.

We had an enjoyable time.

### CONTRIBUTION

*Thank you to everyone who gave toward the children in Westport, through last Fridays lunch. We have raised enough to purchase some great games, to send to families/schools in need.*
