**Manakau Dairy** is happy to make up a school lunch for your child/ren if needed. They are great value, starting from \$5, and you have a say in what your child's preferences are. They are open from 6am-6pm. You can contact the store : 021 117 8878 or email gate28Sonya@hotmail.com, or just pop in.

*Manakau Dairy is very supportive of our school, please support them also.*

We are currently collecting stickers from the Yummy Fruit Company. You can find these at New World, Pak'n Save and participating Four Square stores. Purchase Yummy apples, either bags with cut out labels or individual apples with Yummy stickers. If you can either stick them up on a sheet (you can print out from online) or send the individual stickers into school with your child/ren, to the school office. These points go towards sports gear for school.

A **HUGE** thank you to (Nana) Jane Bell who turned up with home made cloth face masks for students!!! Wow you have blown us away with your generosity. They are being well used.

**Found:** I have had a set of keys handed in to school. One of the keys is a car key. If you have lost yours please contact the office.

Have you added the skool loop app to your phone. It's great for reporting an absence and receiving notices.

Are you receiving Seesaw updates from your child/ren's class regularly?

This will be an important method of communication with your child's teacher.

At Otaki Montessori we have 2 kaiako moving away to be with whanau, and we really need to find the right people to come and join our Preschool.

We are needing people who are compassionate, proactive and uplifting of Te Tiriti o waiting principles and are willing to truly invest in our local community of learners.

The centre manager position is for between 30 and 35 hours per week, the teaching role is currently for 24 hours per week ( this could increase if have the need).

If you know of anyone who would be an asset to us and are ok with a peaceful yet dynamic Montessori focus ( no qualification necessary) then this would be a great opportunity. We have a good blend of Te Whaariki, Montessori, Reggio Emilia and Rye Pickler philosophies, so please don't worry about barriers to teaching and learning when it comes to Montessori.

Below are the links for the positions, any enquiries, please either email or call us after 2:30.

Nga mihinui!

Charlotte Graham.
