From Deb's desk

This week, our Presiding Chair, Sarah Beech-Pooley, is sharing an update from our school Board. As a crucial part of our school's leadership structure, the Board plays a pivotal role in guiding Manakau School's strategic direction, policies, and overall management. I would like to pass on my thanks to the Board team, Sarah, Tony, Mel, Levi and staff representative, Rob.

She shares information around our interim reporting, the health survey and our upcoming board elections. Please take the time to read what she has shared.

We also celebrate some learning and Education Outside the Classroom from the first 3 weeks of this term. It has been busy.

Team Glory's FWWC Adventure

Last Wednesday Team Glory went to watch South Africa and Italy play their final group game in the Football Women's World Cup, at the Cake Tin.

Superb pre event ticket sales opened up the opportunity for schools to apply for free tickets to games. Mr P put in an application and was delighted to learn he had been allocated tickets for the whole class and supervising adults.

The class were very stoked with the news. We spent the two weeks leading up the event learning all we could about Italy so we could be the best Italian supporters we could be. Mr P found some superbly coloured light blue raincoats to keep the class visible and dry. Italian player names were inscribed on all the jackets and we were ready for the big day.

Wednesday was magic. We kicked off after school with a shared afternoon tea and face painting in readiness. At 3.45 we jumped into cars and headed for Waikanae Station. We boarded our train (free for FWWC ticket holders)

at 4.20pm, with excitement building as we got closer to game time. At 5.20pm we rolled into the Train Station. A peak outside the station saw us almost blown over so we found a spot inside the station to sit down and eat the pizza delivered for tea.

Then we trekked up to the Stadium, navigated security and found our way to our quite fantastic seats, and before we knew it was game on.

We cheered loudly and often, chanting It-aly It-aly. We were treated to two fantastic goals by Italy but we were left heartbroken by a late South African goal to make the score 3-2. We had the fifa cameraman visit us and saw ourselves on the big screen.

Jolly big thanks to all the parents who helped out and stayed up for 11pm pick-ups. Well done kids behaving superbly and having an amazingly flash time even though it was super jolly cold and late!!!!

The following poems were shared at assembly.
Our theme for poetry has been "fears".
Huia OG, Mr Singers class.

Multi Phobia* 24.7.23

Trapped in a cage, closing in.
Nothing to breathe, nothing within.
Hear nothing but steps, climbing the wall.
The steps are not monstrous, nothing tall.
Slithering scales and thrashing tails
Wrapping around my ponytail.
There's still no light shining in
Just crawling insects small and thin
Maybe this place isn't too bad
And insects in tophats, bow ties and socks
Insects with eyebrows and long luscious locks

Alternating Tetrapod*

A spider in your cider
Gives me the decider
Scattering through webs
Daddy long legs
The beady eyes
See my despise
The skittery legs
Under my bed
Creeping towards me
Time to flee

*This describes how spiders walk

Arachnophobia: the intense fear of spiders and other arachnids

By Manaia

Xylophobia

Deep inside the twisted darkness,
Fear lurks in every corner. Behind every tree.
If you are like me you will longing to be free.
Being trapped here alone.
Will make you wish you were home.
Being alone in this place.
Makes me want to escape.
This is what it feels to be Xylophobic.

Systematic Desensitisation Fear Poem

Person over here.
Who are they?
More over there.
I fear to find out.
People I don't know.
My fear has begun to sprout.

How do I fix it?
How do I resolve this?
There is no clear way to fix this fear.
I must do it slowly here and there.

Yummy 'fruit' stickers.

If you collect these stickers or the coupons on the fruit bags, these can be handed in to the school office to go towards sports equipment for school.

Electives will start next Friday for years 4-8. Thank you to all the amazing parents/family who have volunteered to help.

Mōrena koutou,

Council are inviting rangatahi from Horowhenua to participate in our creative placemaking project. Applicants will be selected to be representatives of Horowhenua and have your portrait taken to be used as posters of art in the Levin Town Centre. Black and white photographs will be used and displayed with a description in the storefront windows to align our town centre and the mana of Horowhenua rangatahi. The intention is to spark conversation, allowing people to slow down and connect with Horowhenua locals when visiting. This is a hands-on opportunity for our rangatahi to get involved and put their stamp on the town centre.
