School Colour Fun Run

All children are welcome to join in, tomorrow Thursday March 28th. We would just like to confirm that it is a colour fun run. If students would like the colours to show up well, it is recommend to wear a plain light coloured t-shirt. Do not wear your 'best' clothes. The powdered paint is non toxic, and usually washes off clothes. We have our cross country first from 12.45, then the colour fun run at approximately 2.15ish.

Easter Raffle

Thank you to everyone who purchased or sold a ticket. The raffle was drawn this morning. Congratulations to our 3 winners. 1st prize went to Kylie Jennings. 2nd prize to 'Julie'. 3rd prize to Ray Murdoch (a grandfather of a child at school). **Congratulations and enjoy your easter treats.**

Newsletter correction.

Easter Break

Friday March 29—Tuesday April 2.

See you all back at school on
Wednesday April 3rd..

Enjoy. Take care.

Jars for jam

Thank you to everyone who donated jars for Team Korimakos delicious jam. **We now have enough.**

We have a few jars of jam for sale in the school office. \$6 for a large jar and \$4 for a small jar.

Thank you to everyone who has helped with the school working bee and with trips lately. We appreciate your help.

Frankie - I can depend on Frankie to help out adults or other students. Frankie is a hard worker who is engaged in all areas of school life. She shows the PRIDE values and is a positive role model.

Oscar B - gives everything he does his full effort. I've loved watching Oscar's dedication towards Fun Run fitness, PE and games and I've really enjoyed his imagination and artistic flair in our art and drama sessions.

Raukawa - has had a super jolly flash start to 2024. He has been involved in all the goodness that is happening in Team Glory. His most outstanding progress has been made in reading. As his reading confidence increases, he has become a super helpful member in his reading group, helping out others in his group when they are stuck. Super Jolly flash doesn't quite cut it. Spectacular glorious work, Raukawa.

Ella - is showing a great understanding of the Team Glory way. In her second year amongst the glory she has helped those new to the Team Glory way, get to grips with how we roll. She has stepped up to help around the class. Ella can always be relied upon to set a high standard and show the behaviour that is expected in Team Glory. Super Jolly flash work Ella and I (Mr P) appreciates your efforts and help.

Bostyn - has shown exceptional leadership and has developed a truly positive and resilient attitude. Bostyn is a sporting star and leads by example not only in sport, but in the classroom and wider school. A bright future beckons.

Oliver - AKA "Volleyver" - This person is a real team player and has demonstrated this in spades during our sporting tournaments. He is humble in victory and gracious in defeat and is often heard praising his opponents during play. This person is also on fire in the classroom, setting it alight with his academic prowess and determination.

MJ - What a fantastic young man! He is reliable, friendly, helpful, thoughtful and kind. He is full of conversation and loves to tell his teachers interesting stories, with lots of detail. MJ has a wonderful attitude towards all his school work and makes a great effort, doing his personal best always. He is fun and funny and always makes his teachers smile. Our class is a better place because of having MJ.

Millie - is a lovely friend to others. She is a pleasure to have in our learning space. Millie loves to draw and colour in and make things for others. She is an artist and takes great care with her art. She is a focused learner and is currently working hard to gain her pen license. Millie is getting very brave at trying new things and her teachers are very proud of her. Millie is a wonderful part of Korimako.

Wolfgang - Thank you Wolfie for the energetic delightful energy you bring to Tumeke. I love hearing your stories, you have a great sense of humour and you are not afraid to give things a go. Tino Pai Wolfie!

Ava - Thank you Ava for following instructions, using your initiative and giving new things a go. I love the way you are kind and thoughtful and look after people in the class and because of this you have many friends. Tino Pai Ava!
