 July 5 *Last day of term 2*

Morning Tea with the Principal

Ngehupo - This student is starting to let her inner awesomeness shine. From finding a writing style that impresses her teacher on a weekly basis to a new found confidence that is slowly starting to let her talents emerge. This student is a savvy entrepreneur and is developing a sharp wit. She is getting involved in all areas of the curriculum and is transforming into a Manakau School superstar.

Noel - This student has been an absolute asset to Manakau School. This year in particular has seen a growth in confidence in all academic areas and a discovery that his working memory capacity is the best his teacher has ever come across. Unfortunately for the school, today is his final day with us, but luckily for him and his whanau a terrific adventure awaits. This student will be able to extensively explore his own backyard before he explores the rest of the world. It doesn't get any better than this. We hope he stays in touch. His teacher will miss his friendly window knock each weekday morning, but looks forward to hearing of his exciting Aotearoa adventures.

Axel - We are going to miss you heaps in Team Glory. You have been a great friend. You are a cheerful presence and a caring member of Team Glory. I have been really impressed with how you give everything

a go and this attitude will be great for you as you set on your next adventures. We hope you enjoy your time on the road, and we look forward to hearing about your journey. Thank you for being a part of Team Glory

Pererika - Mr P and everyone in Team Glory appreciates you very much. You are always willing to stop what you are doing and share your knowledge with others in the class. You persevere with both the work you do and the help you give to others, you show respect and integrity as you go about your work and help others, you respect the diversity of our class knowledge and ability when you work with others, and you show excellence in your work. Super Jolly Flash Pere. Keep up the great work.

Frankie - I have been so impressed with the way that Frankie has set personal goals and has been working towards achieving these. Frankie is stepping up and showing positive leadership qualities within Awhi Rito and she can feel proud of her positive effort, attitude and focus towards learning. Tumeke!

Maddi - Maddi is such a kind and caring person and a neat kid to be around! She supports other learners no matter who they are. She can work alongside anybody and she always gives everything a go with a positive attitude. Maddi understands and values diversity, individuality and creativity. Ka pai, Maddi!

Amal - Amal has a positive attitude to learning. She displays excellent mat manners every day and is ready and willing to answer any questions put to her. Amal is using great decoding skills to work out what she is reading and takes a great interest in the story she is reading. Amal is a great role model to other children in the classroom, making good choices and focusing on her learning. We are very proud of her progress!

Henry - Henry is our hippy, hoppy Henry! He comes into class with a smile on his face, every day. Henry is a very keen learner! He is working very hard with every learning opportunity he faces. He has learnt to write his name and knows the sounds for all the letters which means he can now begin to write his own stories. He is also a great mathematician! We love Henry's commitment to his learning!

COMMUNITY NOTICES

Otaki Repair Café.

Repairing clothes/appliances/ornaments/bikes and more. Plus workshops and kai.

"Parenting Our Teenagers"

A new 5 week FREE programme specially written to help you raise the modern day teenager

Are you finding yourself arguing with your teenager most days?
 Do you often wonder why they have changed from the loving "little" one you once knew?

Are you wanting to bring back more days of laughter into your home?
 Is it a battle to get them to go to school?

Do you wish they would leave their social media alone so you can spend time with them?

If your answers were "YES" to one or more of these questions, then maybe this programme is for you!
