Ag Day Ag day 2024 Friday 15th November 1-3pm

WHAT IS AGRICULTURAL DAY?

On this day our school is open to our community, family and friends to celebrate our children's achievements, our rural identity and our agricultural heritage.

Agricultural Day is a very special day in our calendar and a learning opportunity for our whole school. All students have had the opportunity to bring a farm animal to school, which they have raised and cared for, to participate in the various judged events. If you are bringing an animal, and have not yet let the office know, please urgently do so. All students will take part in the various creative and exciting 'Horticultural Happenings' activities on offer.

Each class will be working on 'Horticultural Happenings' and these activities will be on display for whanau and friends to view, on the day.

We highly encourage students/whanau to look online to gather some ideas and to see what supplies they will need for their creations. All creations are made at school.

SEE IMPORTANT INFORMATION ATTACHED.

Ag Day

Each class will also be responsible for selling a food item for lunch, on the day. We will require a couple of adults to help each class with preparation and selling on the day. A lunch order form will go home next week and whanau and friends are also able to purchase lunch using the order form.

Calendar fundraiser

All students in the school have created beautiful artwork which is for sale either as calendars - \$18, cards - \$18, diaries - \$20, mouse mats - \$20 or sketch pads - \$20. This fundraising will go towards camp costs for our senior students this year.

Order online by 18/11/24. Go to www.kidsartworks.com. In the Entrance Code field type: KZ1960.

School sports tops

We had several sporting events in the last month of last term, where students were provided with school tops as they represented our school. We have only had a few of these tops washed and returned. Please could these tops be returned asap as we now require these for our twilight football teams.

We have a fresh batch of Kawa Kawa balm ready for sale in the office.

Still made at school.

Still a top quality balm.

Still \$5

We are hoping to send our orders in shortly for any uniform items you would like to order for your child/ren. Please contact the office if you would like a copy of the order form which has measurements and prices.
